

Legacy™ Line 90+% Gas Furnaces

Models 912S, 916S

On qualifying
models only

Benefits of a **LEGACY LINE SYSTEM**

Keep your family cozy during the winter months with a Bryant Legacy Line gas furnace. These furnaces deliver years of reliable performance and are an outstanding value.

Potentially save on winter energy bill

Up to a 97.0% Annual Fuel Utilization Efficiency (AFUE). AFUE is a measure of how efficient your furnace is at converting the energy in fuel to heat.

Eliminate the pilot light

Count on the Bryant Perfect Light™ igniter system to reliably bring the heat when you need it.

Smart technology

Compatible with smart W-Fi® controls like the Bryant Smart Thermostat.

Deliver comfort and savings

Electrically efficient ECM motor, 18-speed operation and insulated cabinets deliver precise and quiet comfort throughout the winter.

Rest easy with a long warranty

With timely registration, receive a 10-year parts limited warranty on all 90s models and a lifetime heat exchanger warranty on 916S or 20-year heat exchanger warranty on 912S.

¹ The limited warranty period is five years on parts and 20 years on heat exchangers if not registered within 90 days. Jurisdictions where warranty benefits are not conditioned on registration will automatically receive a 10-year parts limited warranty and for heat exchangers a lifetime warranty for 916S and a 20-year warranty for 912S. See warranty certificate at Bryant.com for complete details and restrictions.

Excellent comfort **WHATEVER**
winter brings

featured TECHNOLOGIES

Complete Legacy systems
feature these exclusive
advancements.

"Smart" Technology

A Bryant Smart Thermostat with its programmable scheduling, via the Bryant SmartHome app, can maximize your comfort and energy savings.²

Blocked Vent Safeguard™ Protection

Our exclusive Blocked Vent Safeguard Protection means this furnace shuts down if a common vent is obstructed, keeping potentially harmful flue gases away from your living areas.

Hybrid Heat® Dual-Fuel System

Automatically chooses the most efficient fuel source (electric or gas) for heating to provide the ultimate against unpredictable fuel costs.

Take charge with a complete LEGACY LINE SYSTEM

A complete Legacy Line system works as one to deliver whole-home comfort to you and your family.

BRYANT SMART THERMOSTAT

Wi-Fi®-enabled smart thermostat that offers convenient and connected comfort control.

LEGACY AIR CONDITIONER

High-efficiency cooling power delivering whole-home comfort and energy savings.

EVAPORATOR COIL

featuring
VERTEX
Technology

Matches to the proper outdoor unit to provide top cooling efficiency and years of reliable service.

AIR PURIFIER

Uses Captures & Kills® technology to inactivate 99% of select airborne pathogens trapped by the filter, including coronavirus, bacteria and other pathogens.³

HUMIDIFIER

Alleviates dry air by adding moisture.

VENTILATOR

Transfers heating and cooling energy to the incoming fresh air.

² When connected to the Internet through a Wi-Fi® network. Thermostat sold separately.

³ The Evolution™ air purifier has demonstrated effectiveness against the murine coronavirus, based on third-party testing (2020) showing a >99% inactivation, which is a virus similar to the human novel coronavirus (SARS-CoV-2) that causes COVID-19. Therefore, the Evolution air purifier can be expected to be effective against SARS-CoV-2 when used in accordance with its directions for use. Third-party testing (2012, 2007) also shows ≥99% inactivation for the type of virus that causes common colds, Streptococcus pyogenes and human influenza. Airborne particles must flow through your HVAC system and be trapped by the MERV 15 Evolution filter to be inactivated at 99%. Learn how it works at Bryant.com/purifier.

BRYANT HEATING SOLUTIONS

There is a Bryant product for almost any heating and cooling need or budget.
Only your Bryant dealer can help you decide which is right for you.
